

Special Announcements

An update regarding the Search for a Full-time Priest for Grace: The committee has been hard at work on this task since Spring, 2019. Late June, early July we hosted a candidate whom Vestry found to be a most likable person, but ultimately not the "right person" for Grace. Both the candidate and Grace worked earnestly to accommodate; in the end both sides agreed this partnership was not meant to be. Grace's committee continues to screen and interview candidates, with assistance from the Diocese of Central NY. Our next interview with a new candidate takes place after Labor Day weekend. We will provide another update as soon as there is news to report. **If any parishioner has questions regarding the process, please ask Committee Chair, Deb Todd. And please pray for continued patience and prudent discernment as this important work goes forward.**

The 151st General Convention of the Episcopal Diocese of Central N.Y. takes place Fri. & Sat., Nov. 8-9, 2019. This announcement is an invitation to parishioners: if anyone is available and interested in attending this convention as a "lay delegate" of Grace, please speak to Deb Todd, Calvin Barnstead, or call Bethany at Grace Office, (732-0545), ASAP. A Warden and a Delegate will travel to Syracuse Friday, stay one night, and return home Saturday early evening.
